

THE MIRACLE MESSENGER

Karen Paolino

AWAKENING THE DIVINE POTENTIAL IN YOU

Are you ready to discover the truth? That you can freely communicate with the divine and access the answers you've been searching for? Widely known as "The Miracle Messenger," Karen coaches clients to master the reversed process of going *inward* to ignite the magnificence and latent abilities that lie hidden within all of us. She is the translator for the divine you have waited for, holding the mirror to reflect *your* divine potential to manifest miracles.

Karen offers contagious enthusiasm and unconditional support when you need a confidante and guide through life's most challenging detours. Having overcome cancer, divorce, and the death of her sister, Karen is widely recognized as a relatable, caring intuitive who has shared her talents with thousands of audience members and readers across the globe.

Uniquely gifted with the full range of psychic abilities (seeing, hearing, feeling, and sensing spirit), Karen channels accurate messages from her clients' angels, spiritual helpers, and deceased loved ones. Her 15+ years of combined experience in hypnosis, soul communication work, and angel readings have culminated in the development of two innovative and remarkable healing modalities: **Soul Entrainment®** and **Soul Mediumship®**. As the pioneer of these divine connection tools, Karen is a sought-after radio guest and contributor to numerous spiritual publications. The author of four internationally acclaimed books, she also showcases her keynote speaking expertise at industry expos and conferences across the countries.

Karen founded Heaven on Earth, a spiritual center for the soul that hosts luminaries such as John Holland, Dr. Mona Lisa, and Maureen Hancock, offering mediumship, healing modalities, and spiritual workshops. With her center, Karen has shifted the spiritual landscape of her community and has created a place for spiritual seekers to gather.

This miracle messenger is already leaving a powerful legacy by spreading her signature message: "Be open to your highest and best—better than you could ever imagine."
